

Gain a Competitive Edge & Optimize Trial Performance

At Signant Health, we transform the clinical trial experience by partnering with CROs to support sponsors of all sizes in the development of innovative new treatments. Our cutting-edge clinical research technologies and extensive therapeutic expertise combined with the CRO's offering can help present a proposal that stands out, adds value, helps execute successful studies, and fosters stronger sponsor relationships, regardless of study size or phase.

Why partner with Signant Health?

Trust Signant Health as your partner to deliver successful eClinical solutions and trouble-free trials. We drive success through comprehensive capabilities across four vital areas.

SOLUTION

We are a one-stop-shop for all your trial technology needs. Trust our comprehensive, full-featured solutions to deliver every time, without surprise capability gaps.

SCIENCE

Complement your deep scientific knowledge with our in-depth domain-specific expertise across all therapeutic areas. Working with you we can drive opportunity success.

SCALE

Rely on Signant's architectural and operational capacity. We work in step with you, with project teams in your time zone.

SERVICE

Trust Signant's high-quality responsive project management, experienced teams, and mature operational processes to deliver the right results for your sponsors.

Winning Together

We are committed to empowering CROs to achieve success. Our collaboration is built on four key pillars to ensure you have the support, expertise, and solutions needed to excel.

- ① Helping to win business:**
We provide early scientific insights, collaborative opportunity prospecting, tailored solutions, and opportunity-focused strategies
- ② Responsiveness to sales inquiries:**
Rely on us for rapid bid turnaround, next-day responses, and on-time delivery
- ③ Safe hands:**
With Signant you work with trusted teams, reliable timelines, quality service, reduced burden, and no-blame assurance
- ④ Single vendor simplicity:**
Leverage comprehensive solutions through a single project team, and a single contract

Partnership Program

Our partnership programs help CROs foster long-term sponsor relationships and drive business growth. We'll customize a program to address your goals and challenges, outlining key deliverables and formalizing our commitments through a governance structure agreement.
